COMMUNITY

What is the name of your community/neighborhood?

How long have you lived there?

Why are you committed to helping your community fight COVID-19?

SOCIAL CAPITAL

Do you have family in the community/neighborhood?

What can you tell me about your relationship with (the organization that recommended you)?

What are your strongest professional and personal interests?

What skills do you have that are important for this work? (ie. communications and media, health, medicine, cooking and/or food delivery, case management, project management, administrative work, building/construction, sewing, computer skills, etc.)

Are you a member of any professional, social, faith, civic or other groups? (Ask follow-up questions that help you understand all relevant groups.)

Do you know any of these people? (Ask about other community leaders who were recommended in the same community where your interviewee lives.)

If so, how long have you known them, and how? (Follow up to find out if they went to the same school(s), worked together, volunteered on community efforts together, have a family connection, etc.)

TECHNOLOGY

Do you have a cell phone, tablet or computer? (If so, what kind(s)?)

Have you had any problems with connectivity or with your data plan?

Can you take pictures on your phone?

Can you take videos on your phone?

Do you have access to a computer?

Do you have WiFi?

Do you use WhatsApp?

Do you use Excel, Googlesheets, or a calculator?

Do you watch a COVID Data Dashboard regularly? (ie. FDOH COVID Dashboard, Johns Hopkins University Dashboard, Public School Dashboard, etc.)
